

Look at the list of skills below. Match the pictures with the correct names of the skills. Then mark which skills you <u>can</u> and <u>can't</u> do.

V•A Learning English

Now ask two friends about the things they can and can't do. Make a list of the skills they have. If they have skills that are not shown above, add them to the list. Then talk with your two friends about cooperating to do something together using your skills.
