

Auto-Portrait

Draw a series of 5 pictures inside this face that describe an imaginary person as a young child. What toys did he or she like to play with? Where did he or she like to play? What kinds of pets did he or she have as a young child? What types of mechanical things did he or she ride? What was this person like as a young child?

On the back of this paper, write a short paragraph that explains each one of your drawings.
