NAME: \_\_\_\_\_

Choose a character in the story. In the bubble on the left, write down what the character said. Then, look inside the head of a character. In the bubble on the right, write down what that character thought. At the bottom, draw the head of your character.

**EXAMPLE:** In the story, *Little Red Riding Hood*, the wolf dresses up at the Grandmother. He calls out to Little Red Riding Hood, "Come in, my dear! I'm so glad you came to visit." Inside his head, the wolf is thinking, "I want to eat Little Red Riding Hood for lunch."
