

An Open Mind

My name _____

Draw a large face (no eyes, nose, or mouth--just an empty face) in the space below.
This will represent the face of _____.

Then, draw at least five mini-drawings or even a large mural-style drawing inside this face that represent what this person was like as a young child. What toys, games, pets, friends, etc., did this person enjoy as a child. On the back of this paper, write a short explanation of each of the drawing.
