**3. Read the Text:**

Naimati and her sister Assiati went to Moroni last week because they wanted to visit their family. They went to the Inter Iles office to buy airplane tickets, however the tickets were too expensive. Because the airplane was too expensive, they traveled by ferry to Moroni. Even though the ferry tickets were cheap, it took a long time to travel by ferry. They were on the ferry for 5 hours and were very tired. When they arrived, first they took a taxi to their house and then they saw their family. In Moroni, they went shopping, visited their family and went to the beach. They stayed in Moroni for one week and finally they returned to Anjouan. Naimati and Assiati were sad to leave their family, however they were happy to return to Ouani
