Section 2. Reading Comprehension. Read the paragraph. Answer the questions.

One day while Fatima was cooking, she **cut** her hand with a knife. The cut was very deep and very painful. She was **bleeding**. She went to the hospital for treatment. At the **hospital**, the nurse gave her medicine. Fatima got **stitches** in her hand, and the doctor gave her a bandage. The doctor said she should take **medicine** every day and she must rest until her hand is healed. If she does not take medicine, the cut might become infected. Fatima went home and took medicine. She felt better after one week.

Dictionary:	knife – couteau	deep- profond	healed – guérir	infected - infecté
-------------	-----------------	---------------	-----------------	--------------------
