# Beloved Daughter

Jane Taylor  
Brian Wambi

English

This is Natabo. She has six brothers.

Her parents give  
her a small pot.  
She loves it.

One day her  
brothers break the  
pot.

Natabo cannot find her pot. She cries and cries.

Natabo runs away.  
She climbs a tall  
tree.

Her parents find her. "Please come down," they ask.

Her brothers sing,  
"Please come  
down."

Natabo makes fun of their song.

Then Natabo's friend comes. "Please come down," she sings.

Natabo's friend sings until she comes down from the tree.

The friends walk home together.

Everyone celebrates that Natabo is home. Natabo gets a new pot!
