

Triptych-style mini-book

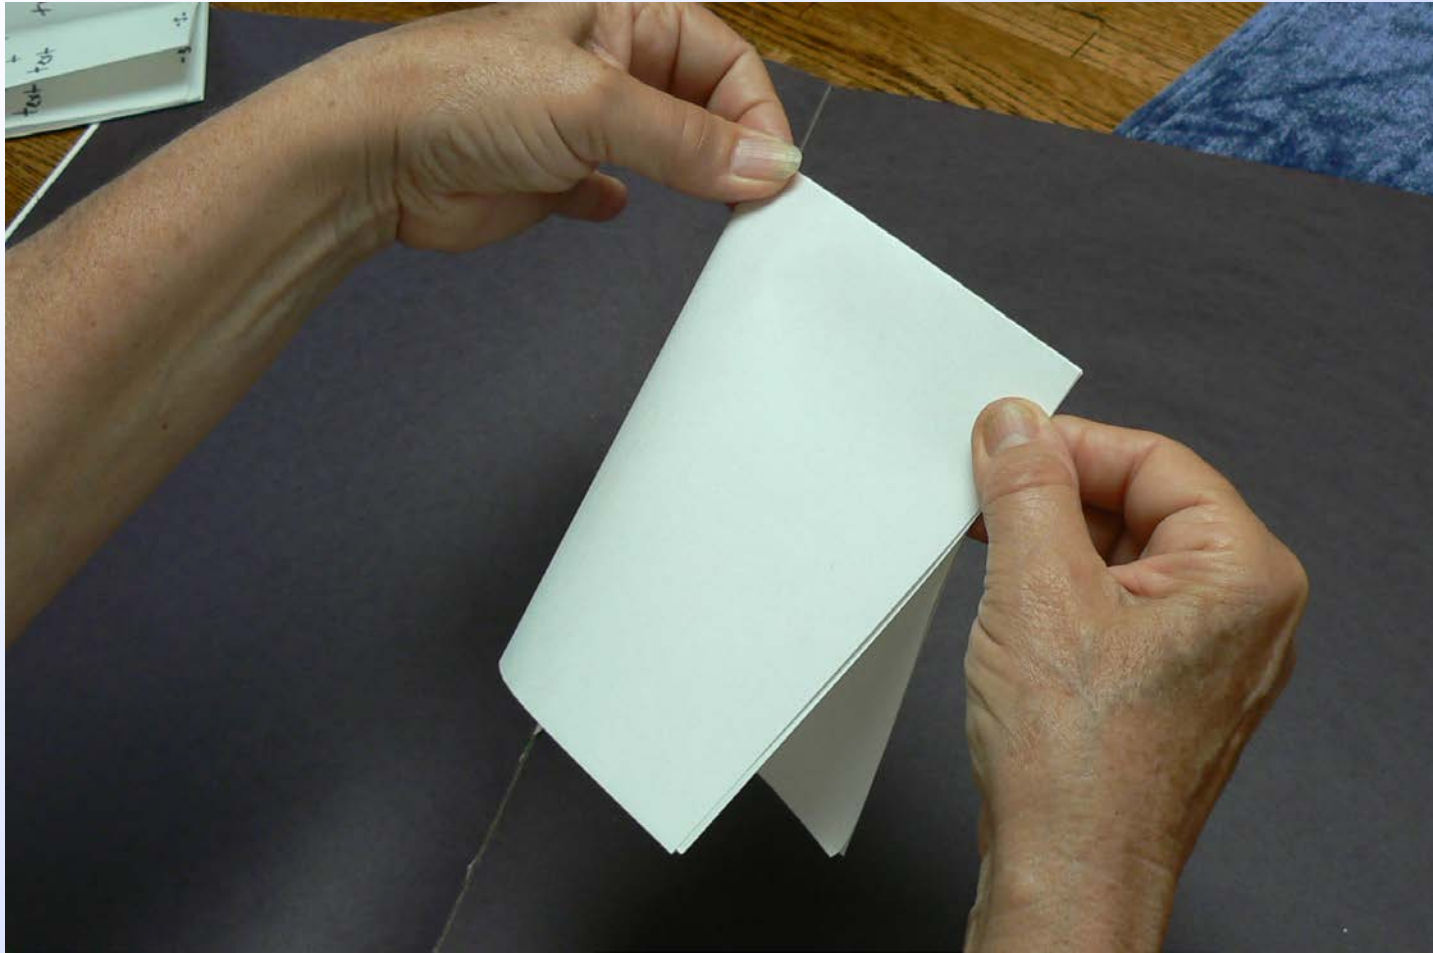

Fold paper across in half.

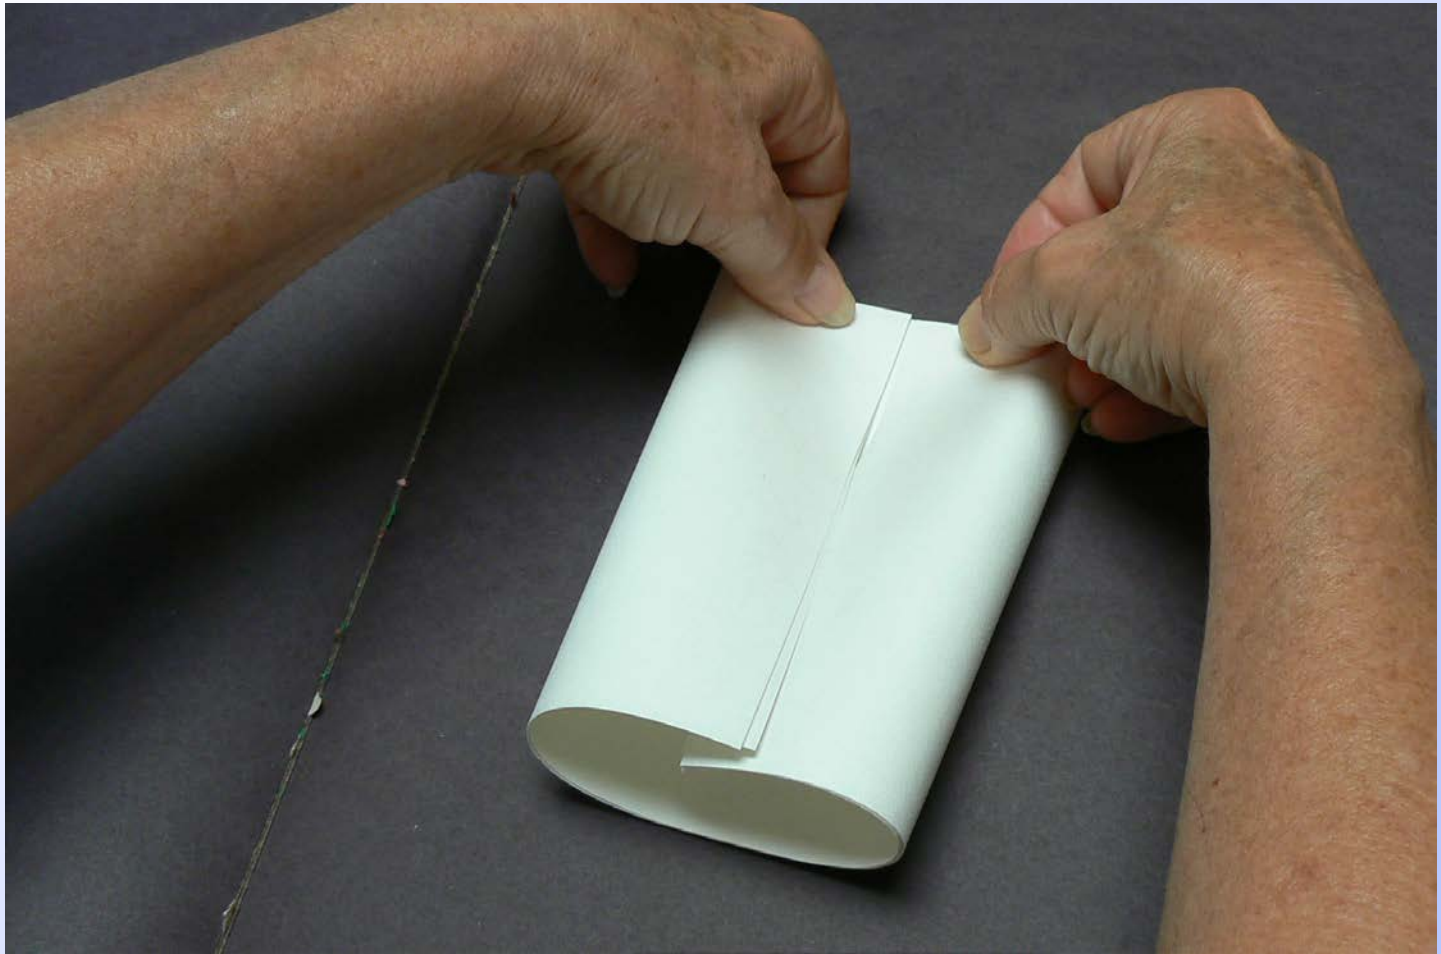

The fold is across the middle.

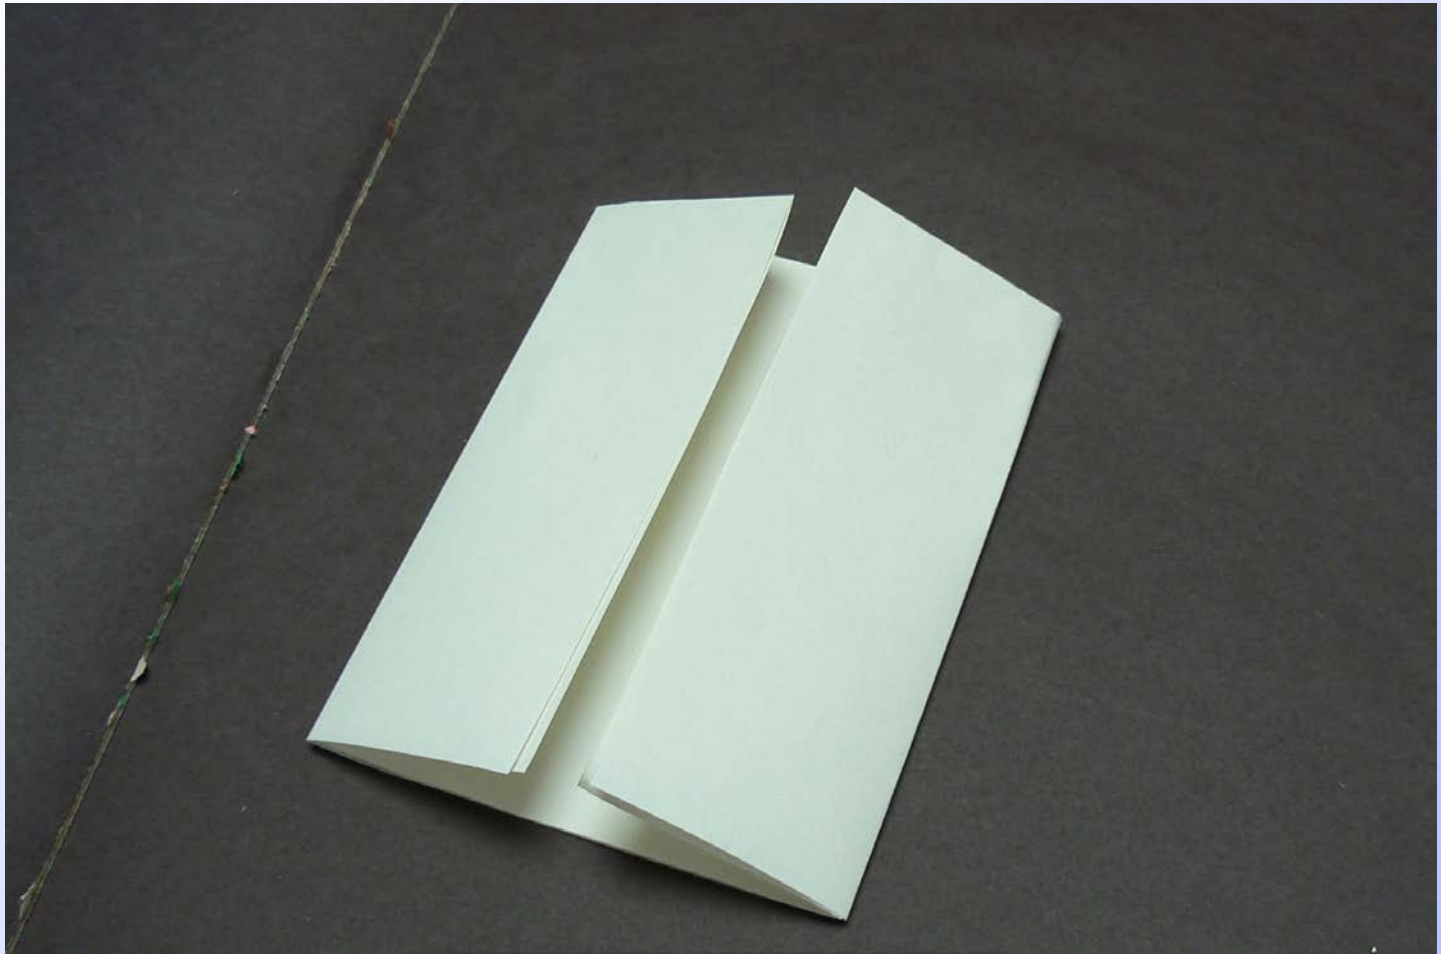

Place a slight notch in the middle of the fold.

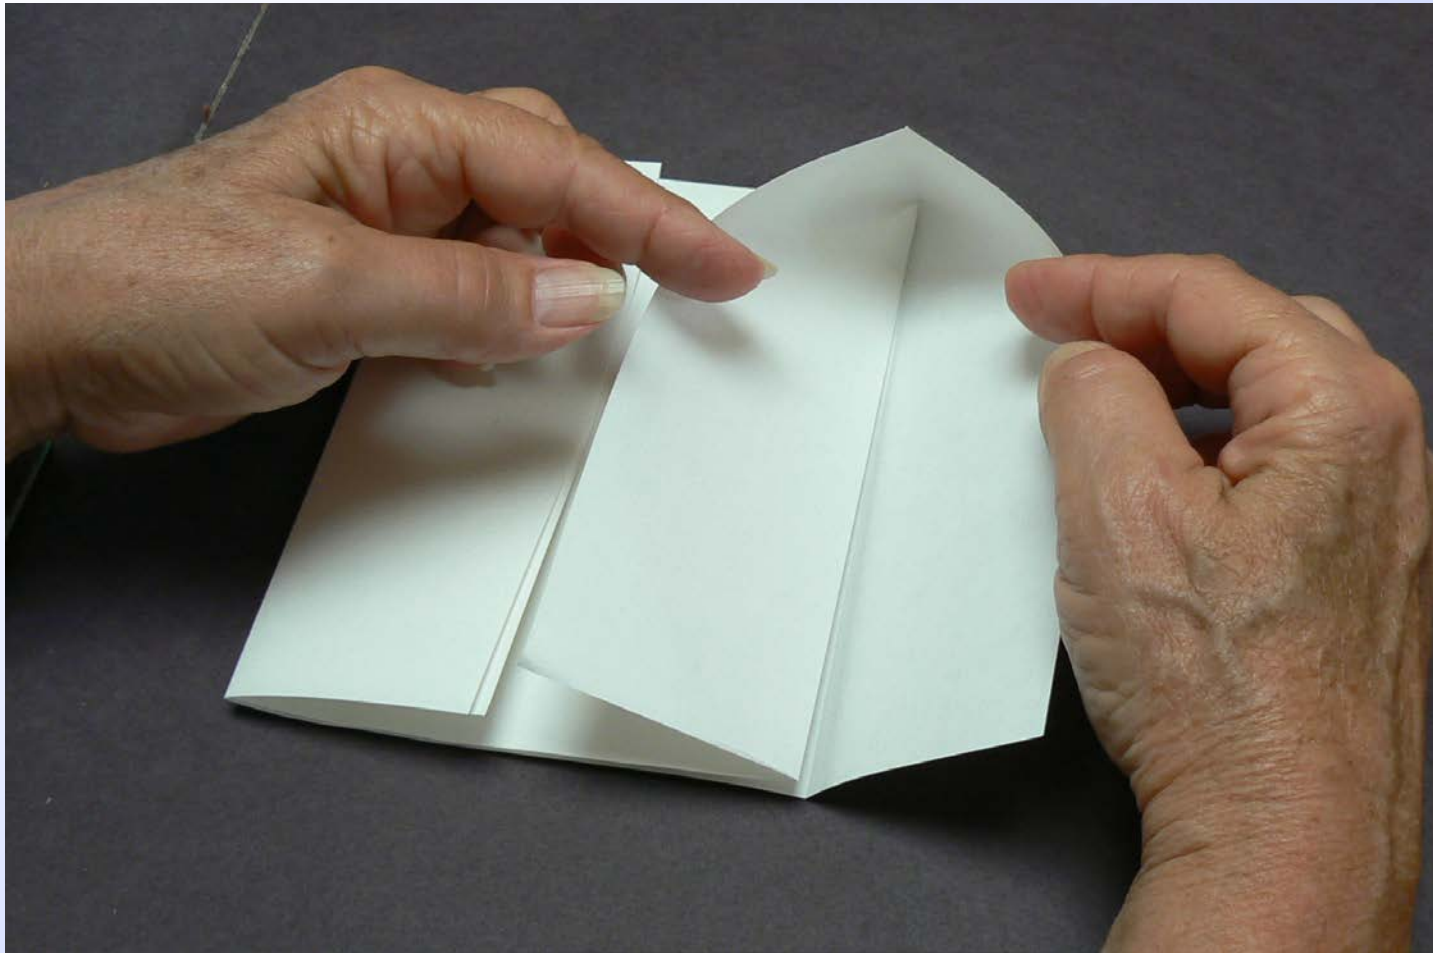

Bring the 2 sides to meet at the notch.

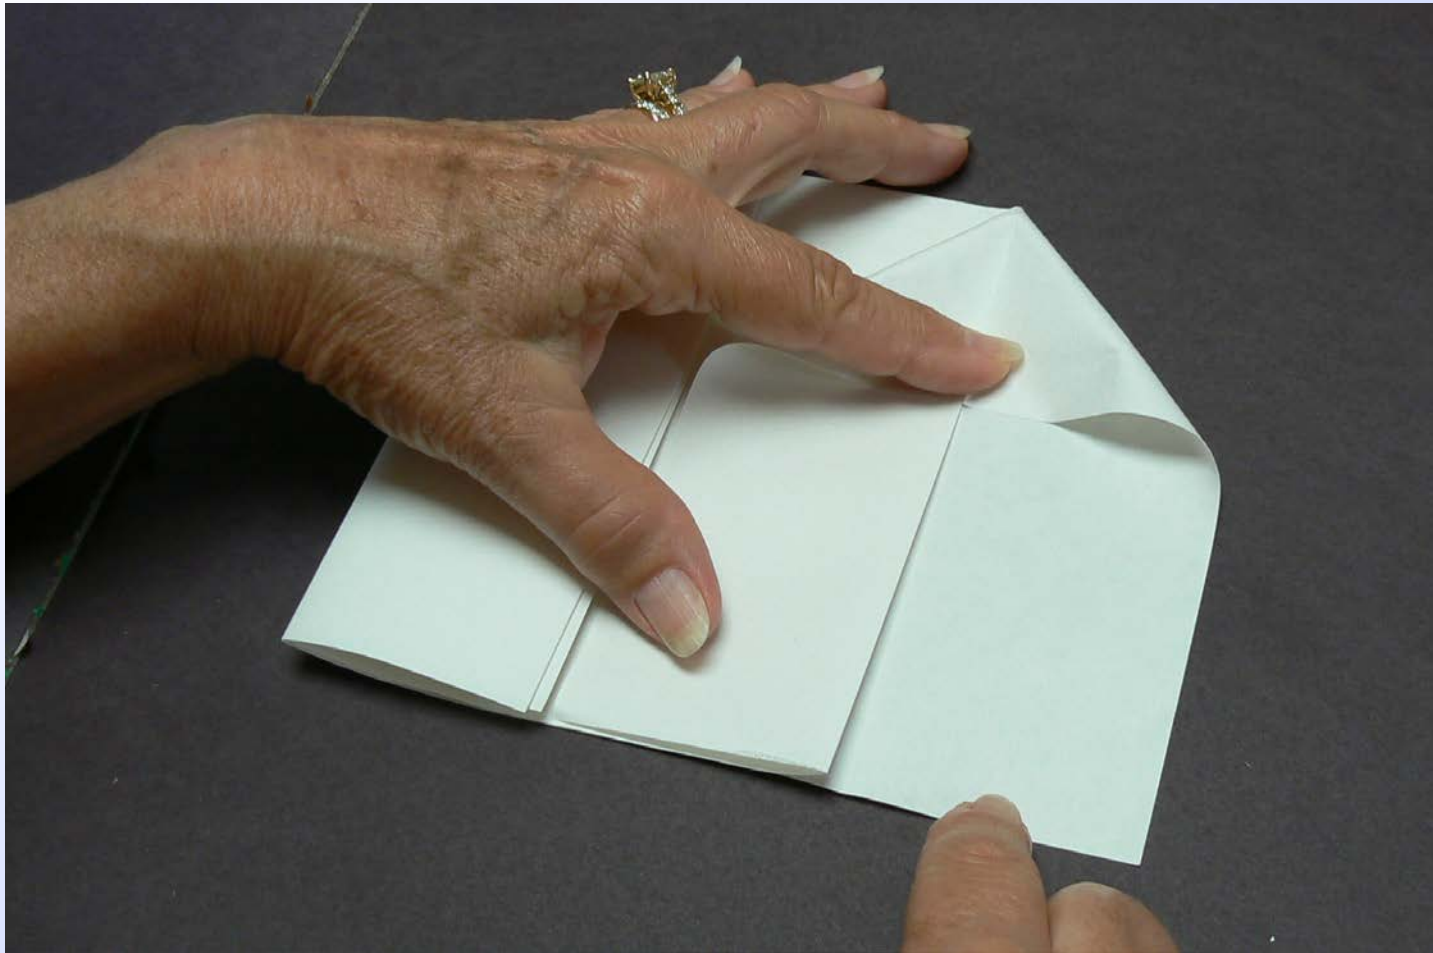

Press the folds to create crisp edges.

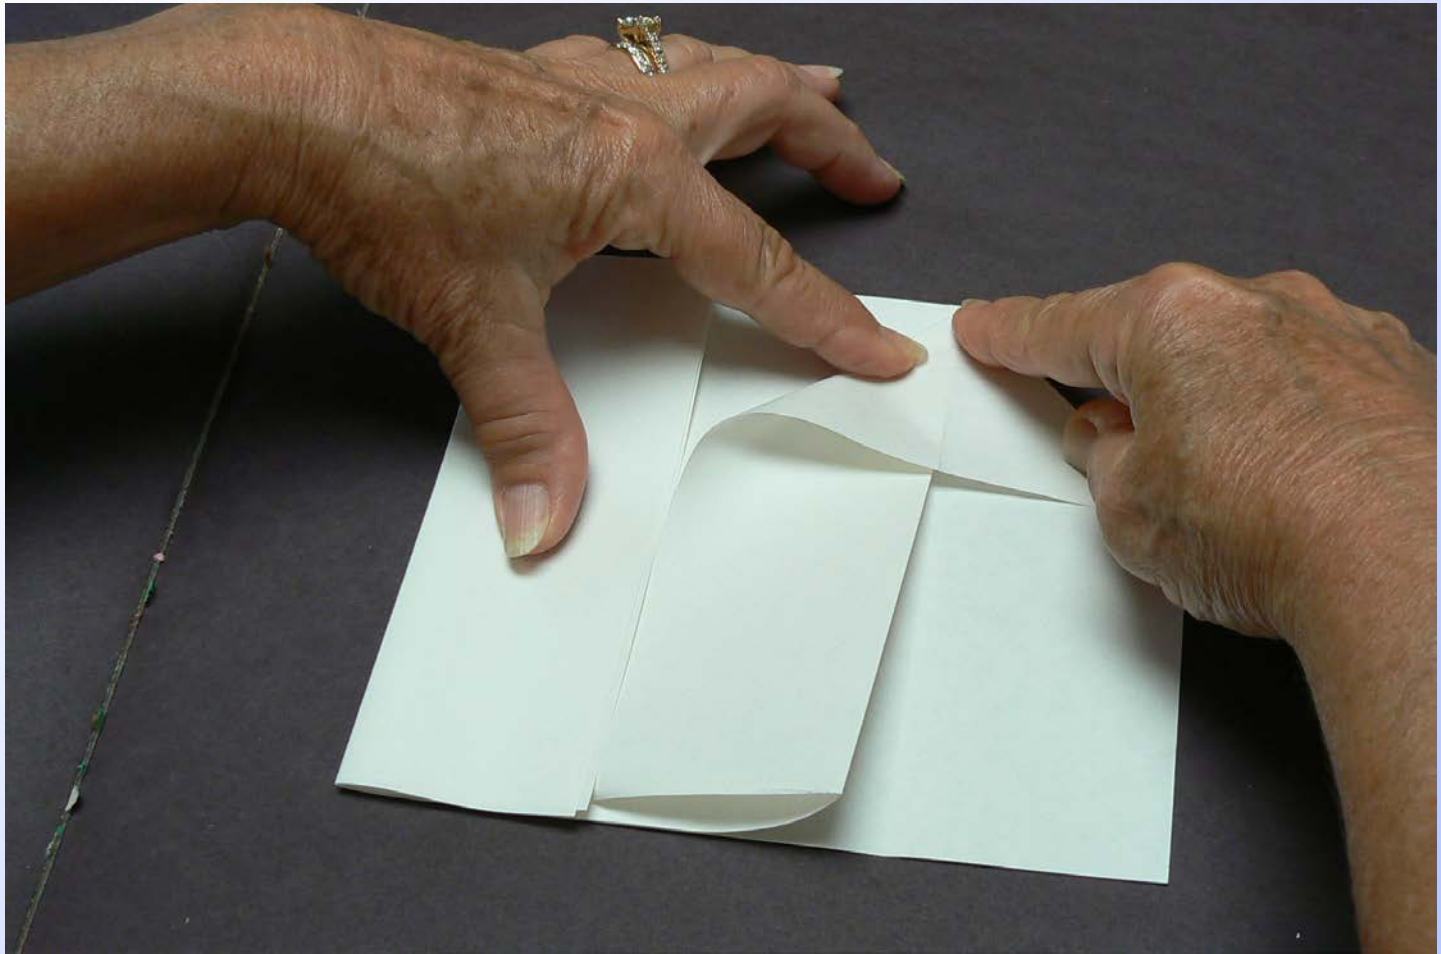

Open the right-sided fold.

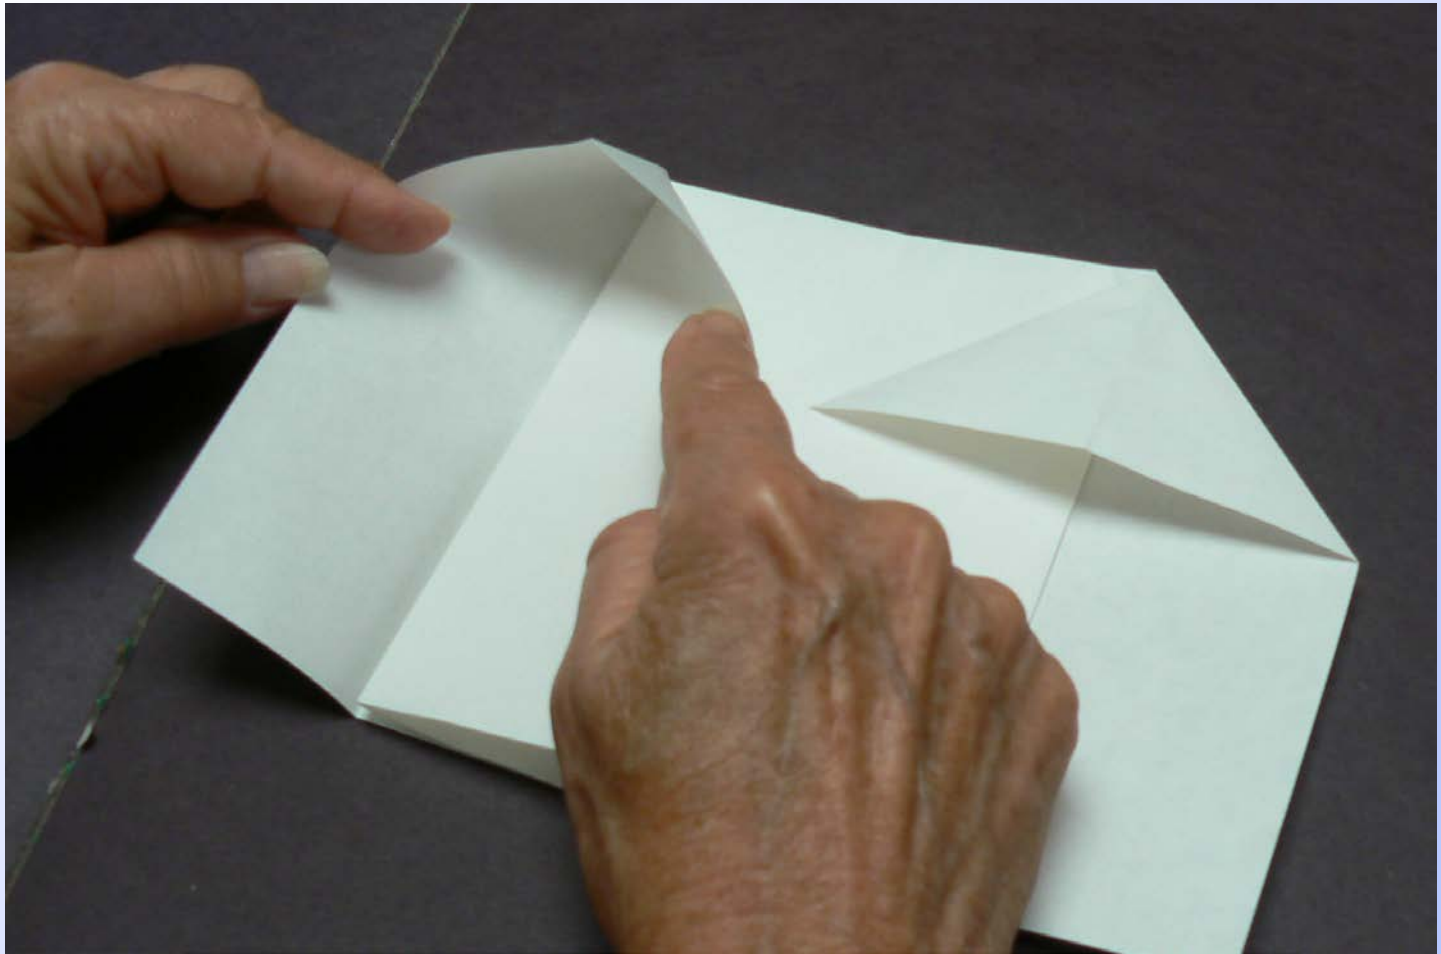

Hold down the flap with forefinger.

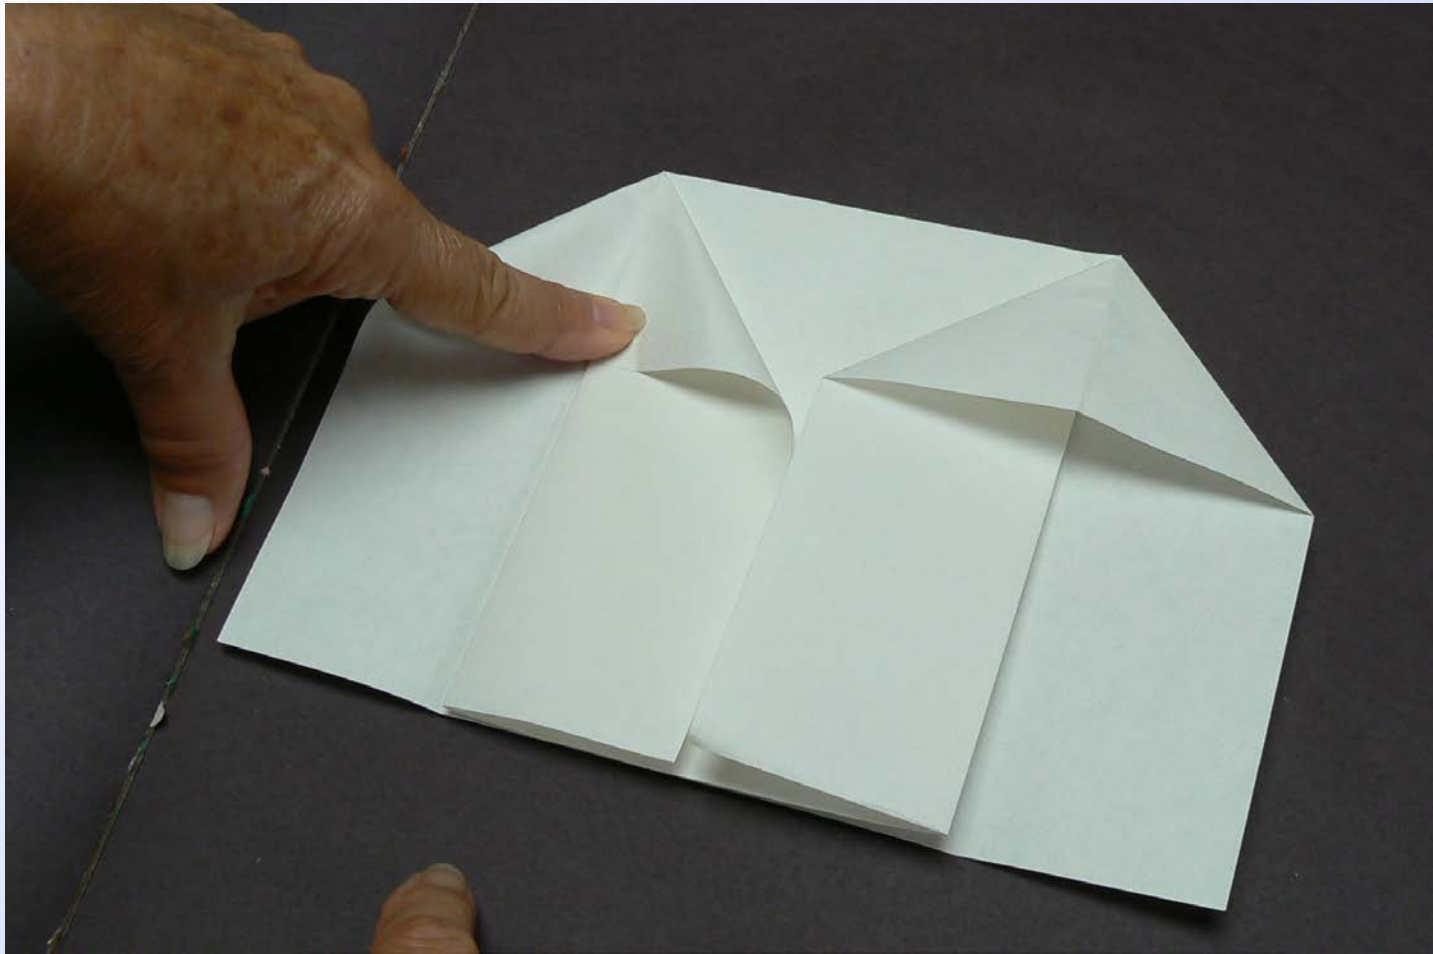

Press the “roof” edges at top of right.

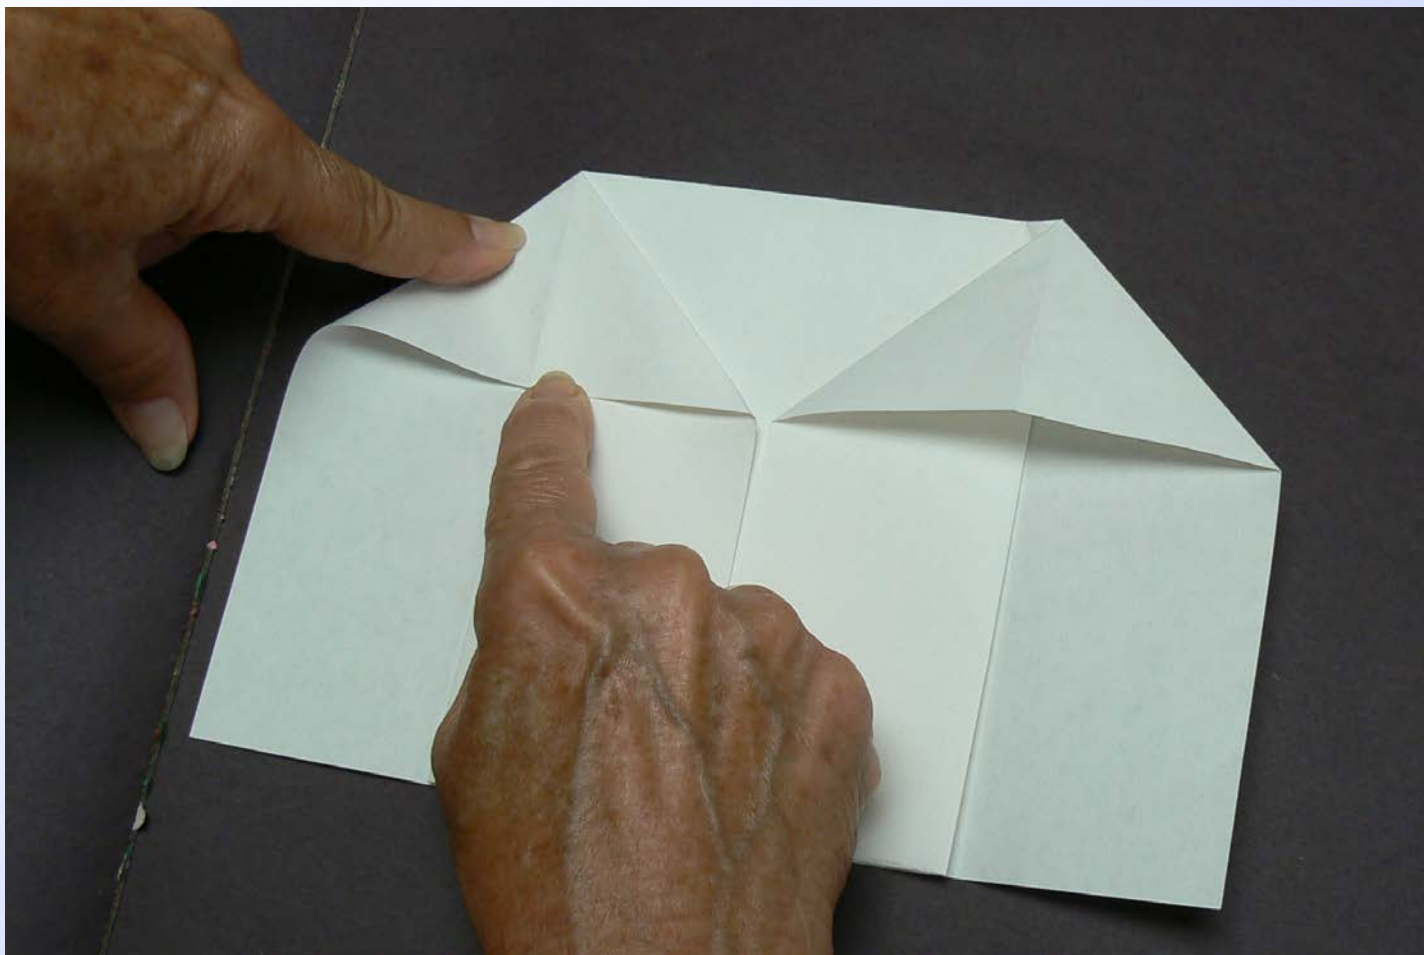

Open left side of folded paper.

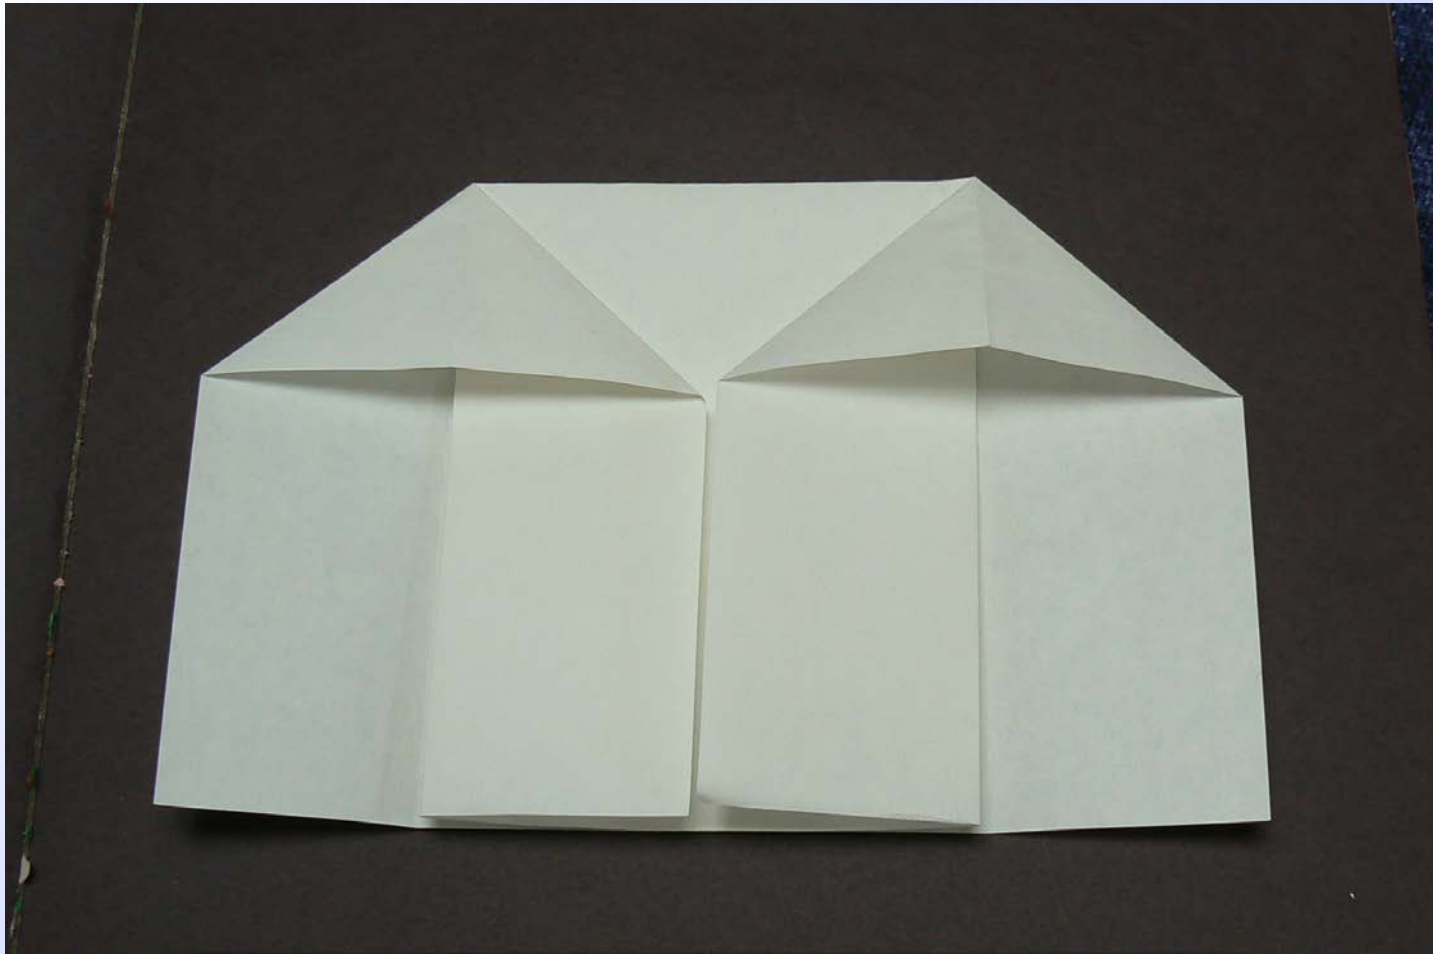

Press down the “roof” section with forefinger.

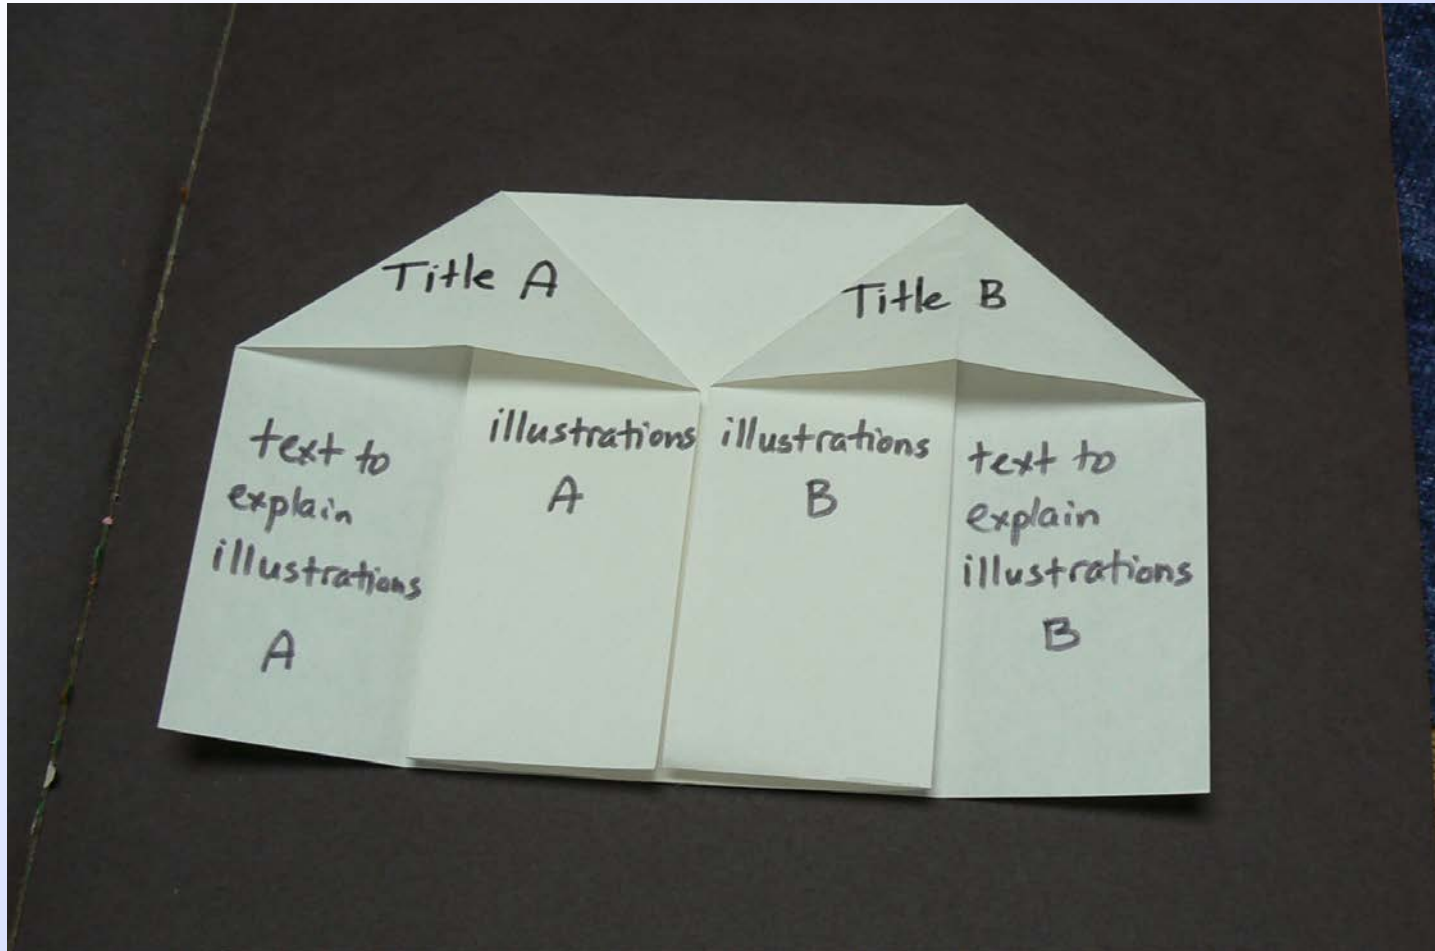

Press down edges of left “roof” flap.

Here you have it –a triptych.

For example:
comparing/contrasting...

Interior of tryptich.
