

My Community

**Sunday is the first day of the week.
My family and I go to church.**

**Sunday afternoon, we like to play
in a garden.**

I have been saving bottles, cans and plastic for a long time.

My town is old. Every street has a lot of nice trees.

My family buys groceries in a super-market.

While walking to the store, we pass a big, long freeway.

I travel by bus. We need to save gasoline and not pollute our air.

Gasoline stations charge a lot of money.

I also walk to the post office to mail letters and packages.

**I hope to go to a university close
to home, too.**

My family walks to a big park in our town.

We keep our park very clean.

My little brother loves to slide.

My family loves to picnic here, too.

**My father likes to fish. We also play
with the ducks and geese.**

We come to picnic here with friends.

This is where we fish.

**My friends and I like to play
baseball at the park.**

Last week, we saw a bird taking a bath in a puddle.

Even the dogs like coming to the park.

The dogs and their owners like to be under the trees in the shade.

Sometimes, my friends and I play tennis.

Skate-boarding is very popular!

The ocean is really close and my friends like to go sailing.

My dad likes to surf!

We all love to play volleyball!

**Even the seagulls like
to watch the waves.**

Let's keep our beaches clean!

Let's keep our world beautiful for everyone!
