

My Time Capsule

Imagine that, in the year 2500, creatures from outer space land on Earth. They land in your neighborhood and discover your Time Capsule.

Your Time Capsule must contain

- A minimum of 10 and a maximum of 15 items that are important to you and your lifestyle (school, sports, family, favorite activities, family, etc.) You will present each item orally to classmates and explain why you chose this item.
- Text material in the form of a written letter or a CD with an electronic document that describes your items and why they are important and valuable to you in your daily life.
- A copy of your Facebook page assignment.

You, with a partner, will

- Collect all the artifacts for your Time Capsule.
- Decorate your Time Capsule. (Possible containers: shoe box, cylindrical oatmeal container.)
- Prepare written explanation of importance of each artifact.
- Present your Time Capsule to classmates and to the teacher.
