

Treasure Hunt

Directions: Find someone in the class who answers yes to the first question. Write his or her name and answer on the line next to the question. You can only use that person once. After he or she answers yes, you need to find another person for the next yes answer.

Example:

Does one of your parents drive alone in a car to get to work? Mary's dad does.

Do you travel to school with public transportation? _____

Does your family recycle glass, metal, and newspapers? _____

Do you let the water run into the sink when you brush your teeth? _____

Does your family re-use plastic bags from the store? _____

Do you pick up trash in the park? _____

Do you take a shower that lasts more than 10 minutes? _____

Do you like to listen to music with the volume really high and loud? _____

Does someone in your family drive to work with another person? _____

Do you turn off the lights when you leave a room? _____

Does someone in your family water the garden in the middle of the day? _____

Does anyone in your family drink water bottled in plastic bottles? _____
