

Day 1:

I am sick/healthy

To feel sick/healthy/good/bad (sentir)

Illness(es) – maladie

Symptoms

I have... a cold, a fever, a cough, the flu, malaria, dengue, a (head)ache, a sore throat

Injuries – blessure

Pain

A cut, a burn, a broken (leg), a bruise

Verbs:

To cough, to vomit/throw up, to break, to sprain, to burn, to cut oneself, to fall, to have an accident, to hurt, to bleed

Practicing simple past:

Rafael was sick last week. He had a fever and a cough. He vomited two times and his head hurt. He went to the doctor. Then, he felt better. Now, he is feeling healthy.

Every week, Fatima plays football. Yesterday, Fatima had an accident when she was playing football. She fell and she hurt her leg. Her leg felt very painful. She went to the hospital. The doctor said she broke her leg.

In class assignment: (3-5 sentences)

Write about the last time you were sick or injured. What were your symptoms? Did you go to the doctor or the hospital?
